

Catalyst for a green and inclusive economy

About Sustainable Atlanta

- Founded in 2007, Sustainable Atlanta is a catalyst, consultant and facilitator for sustainable progress in Atlanta as well as across the nation.
- Sustainable Atlanta leverages its expertise to make Atlanta, other municipalities, citizens and organizations more bottom-line efficient, environmentally responsible and more competitive when attracting employees/jobs.
- Sustainable Atlanta is a non-governmental organization operating as a 501(c) 3 non-profit.

Sustainable Atlanta's Offering

Sustainable Atlanta's core value lies in convening leaders from academic, business, civic, governmental sectors and non-profits to develop sustainable policy and programs to address the challenges and opportunities inherent in the relationship between environment, equity and the economy.

Sustainable Atlanta improves current "green" policy and programming for strategic sustainable initiatives that focus on topics such as: water and energy conservation; reducing our solid waste; reducing emissions and improving the rates of recycling.

Sustainable Atlanta's Strategic Initiatives

- Energy & Climate Change
- Green Building
- Public Health
- Recycling
- Sustainability Reporting
- Water
